WORTHY BENEFICIARIES

Kids Big Day Out was attended by over 1200 special needs & disadvantaged children & families, and we were thrilled to present the beneficiaries of the day Riding for the Disabled West Auckland and Kidslife substantial funds to continue the good work that they do.

Cinderella on May 5, was also a fantastic success – with the sponsoring of 9,000 seats for special-needs & disadvantaged children of Auckland; AND over \$100,000 was presented to Radio Lollipop by Southern Stars live on stage, on the day of the show. The show was attended by our ambassadors, Leanna Cooper and Guy and Meg, to the delight of the children and their families.

WELCOME TO ISSUE 2!

Heading into Winter already... My how time flies. As I write this update, there is lightning & thunder outside my window and a fierce wind blowing.

Here at Southern Stars we are busy with the campaign for our second “Kids in Show Seats” production of 2018, being **“Pinocchio”** - in support of **Koru Care Charitable Trust**. The show is set to be staged at Logan Campbell Centre on Saturday July 7, 2018.

We are very pleased with the support we are receiving from donations across all sections of society, from corporations & small businesses, to mum & dad supporters. Thank you one & all!

So far in 2018, we have enjoyed wonderful success with our annual fun-filled picnic day “Kids Big Day Out” (as outlined in Issue 1); and more recently our first “Kids in Show Seats” pantomime **“Cinderella”** staged on May 5, in support of Radio Lollipop.

As outlined above, our next event on July 7, is the children's stage show "Pinocchio" in aid of **Koru Care**. This great NZ charity raises funds to take 26 children with serious medical disorders on a trip of a lifetime to Disneyland in the USA!

Koru Care is proud of their 30 year legacy - *Making Dreams come true for seriously ill & disabled children of NZ.*

We look forward to seeing you all on July 7th at the Logan Campbell Centre, ASB Showgrounds for our wonderful show "Pinocchio" to support the ongoing work of **Koru Care Charitable Trust**.

Stay warm, and see you at the show!
