WORTHY BENEFCIARIES

We have just begun our campaign in support of Burn Support Group Charitable Trust, and our third Kids in Show Seats production being staged at Logan Campbell Centre on October 13 is “**Alice in Wonderland**”.

For over 31 years The Burn Support Group Charitable Trust has been working with the community to provide **education, prevention, equipment and support** to burn survivors. We are pleased to be able to assist in funding this hard working & worthwhile charity.

WELCOME TO ISSUE 3!

Well it’s almost spring, with the days getting a bit longer and the feeling of renewal in the air. We hope this Newsletter finds you and your family well, and once again wish to thank you for your support, whether it be by way of donation, or attending our events.

At Southern Stars we have just completed a successful fundraising campaign for New Zealand Down Syndrome Association to assist with their annual Youth Development Camp and their quarterly journal “Chat 21”.

I am also happy to report that our second “Kids in Show Seats” production of 2018, was “**Pinocchio**” -and what a great day it was for the many thousands of special needs & disadvantaged children and their families. The Pinocchio show was in support of **Koru Care Charitable Trust** to raise funds to take 26 seriously ill children to Disneyland in the USA – a trip of a lifetime!

It has certainly been a busy year so far and here at Southern Stars it is always inspiring to see the difference that our campaigns make in the lives of many special needs & disadvantaged children, and their families. This of course is primarily because of the generosity of ordinary New Zealanders, and corporate sponsors.

We look forward to seeing you all on October 13 at the Logan Campbell Centre, ASB Showgrounds for our wonderful show "Alice in Wonderland" to support the ongoing work of **The Burn Support Group Charitable Trust**.

Hope you enjoy the warmer, longer days as we head into Spring!
